

REQUEST FOR PROVISIONAL FACILITY APPROVAL

The _____ Fire Department/Fire Protection District hereby requests that the Office of the State Fire Marshal, Division of Personnel Standards and Education, recognize their fire station as a Provisional Training Facility in the State Training and Certification Program.

We hereby agree to provide the following criteria:

1. A fire station that serves as a classroom;
2. A pumper apparatus equipped in accordance with NFPA No. 1901;
3. A current set of IFSTA Manuals (Red Books);
4. Impart to provide all learning experiences required in the "Certified Firefighter" course; and
5. Keep complete approved records based on the Training Record Jacket and Course Approval outline.

Provisional schools may not receive fees for offering training for certification to a person who is not a member of their fire department; they may, however, offer approved training to members of other departments for certification.

This Division will approve a facility as unlimited for a regional training school if it is in possession of or has immediate access to all of the resources required for unlimited facility certification as enumerated on the "Application for Certification as an Unlimited Fire Service Training Center".
